

SWIM SMART

There is no better way to beat the summer time heat than by visiting one of the City's beautiful seven beaches or 52 sparkling pools.

But Play It Safe, Swim Smart, and follow the three Do's and Don'ts of Water Safety

DO:

- **Watch children and non-swimmers at all times**
- **Swim when a lifeguard is on duty**
- **Swim sober**

DON'T:

- **Swim if you don't know how**
- **Swim alone**
- **SWIM WHEN BEACHES ARE CLOSED**

All City beaches are open from 10:00 a.m. to 6:00 p.m.
and all City pools are open from 11:00 a.m. to 7:00 p.m.

Beaches and pools close for the summer on Labor Day, September 5.
